**Subject: January 2019 Progress Report
J.H. BAXTER ARLINGTON FACILITY
Docket No. RCRA-10-2001-0086**

Dear Ms. Palumbo:

This letter provides the January 2019 progress report for work under the Administrative Order on Consent (AOC) for the J.H. Baxter & Co. (Baxter) facility during the period from January 15, 2019 to February 14, 2019.

SIGNIFICANT DEVELOPMENTS THIS PERIOD

This section discusses significant developments for the reporting period, including actions performed and any problems encountered relative to work required by the AOC. Significant developments that occurred on this project during this reporting period are outlined below:

- The fourth quarter 2018 sampling results were received and Tier 1 data validation has been completed.
- The 2nd Half 2018 O&M Report is under preparation.

ANTICIPATED DEVELOPMENTS NEXT PERIOD

This section discusses developments anticipated during the next reporting period, as outlined below:

- Baxter will continue to operate the Pilot Study remediation system (recirculation system) during the next reporting period. The iSOCs will have the oxygen replaced during 1st quarter sampling event.
- The first quarter 2019 sampling is typically conducted in early February but due to repeated snow events sampling will be delayed until early March when weather improves.
- 2nd Half 2018 O&M Report will be submitted.
- The CMS Version 4 was submitted during the First Quarter 2017. We anticipate comments from EPA.

OTHER INFORMATION

Any other information relevant to the AOC is discussed in this section, including results of any sampling or testing completed within the reporting period.

- Nothing to report this period.

CERTIFICATION

I certify that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to evaluate the information submitted. I certify that the information contained in or accompanying this submittal is true, accurate, and complete. As to those identified portions(s) of this submittal for which I cannot personally verify the accuracy, I certify that this submittal and all attachments were prepared in accordance with procedures designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system or those directly responsible for gathering the information, or the immediate supervisor of such person(s), the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
